1) IDAACS 2023 has 2 different presentation types of the paper.

## For presenters:

### Oral Presentation

Join the session where you are presenting by clicking on “Join live now” button and you will be redirected to the virtual room. During the session, you will be asked to share your screen in order to show your slides and switch on your camera.

Time devoted to oral presentation is limited by max 10 minutes, Q&A part will be at the end of your session, therefore, you should be present the whole session online.

### Poster Presentation

During the whole **Poster session**, where the paper is located, the author (representative) must stay in the Virtual Room and wait for their turn. When the session Chair calls your paper, please switch on your camera, microphone and be ready to show your poster. At the same time the session chair will ask you questions about your paper.

ATTENTION: you must not present your paper, only answer the questions and participate in discussions.

## For all participants:

### Oral Presentation

Join the live oral sessions and keynote speeches on the online platform by clicking the “Join live now” button (explained below). You will be redirected directly to the virtual room.

How to access the oral sessions is shown below.

Check the programme, to see, where your paper is located.

### Poster Presentation

The posters of papers are available on the **online platform** of the conference all the time. Every participant can get familiar with the poster and they will be able to discuss the research with the author during the **Poster Session**.

How to access the Poster Sessions is shown below.

Check the programme, to see, where your paper is located.

## 2) IDAACS 2023 virtual platform

**Login:** In the email with these instructions you have received the credentials (Username and Login Code) with which you can enter the virtual platform. You can do it via <https://idaacs.digital/>.

**IMPORTANT:** You will be able to login and enter the virtual platform only on **6.09.2023 after 09:00 CEST**

## Posters:

Check all posters by going through sessions.

The screenshot shows the 'Poster Sessions' page with a navigation bar at the top containing: Home, About IDAACS, Programme, Proceedings, Evaluate, Participants, Help Desk, My Profile, Logout.

The main heading is 'Poster Sessions.' Below it, a sub-heading reads: 'Check the posters at any time and join the live discussions during the poster sessions. You can ask authors about their paper as well as to make your own contribution to further research.'

At the top, there are three session links: 'Session 1', 'Session 2', and 'Session 3'. 'Session 2' is circled in red, with an arrow pointing to a callout box: 'Click on "Session" to open it'. Below 'Session 2', the date and time '17.09.2020, 13:15 - 14:00' is circled in red, with an arrow pointing to a callout box: 'Time of the live discussions'.

Below the sessions, there are four 'Room' buttons: 'JOIN ROOM 1', 'JOIN ROOM 2', 'JOIN ROOM 3', and 'JOIN ROOM 4'. 'JOIN ROOM 2' is circled in red, with an arrow pointing to a callout box: 'Join the virtual room (only when it is the Session's Time)'.

Under each room, there are poster thumbnails. The first poster in Room 1 is titled '"Clustering Analysis for Big Data in Network Security Domain Using a Spark-Based Method"' by Hui Xu, Wei Zhang, Man Gao, Hongwei Chen. An arrow points from a callout box: 'Click to open the poster' to this poster.

The second poster in Room 2 is titled '"The Phase-Frequency Response Influence on the Tunable Frequency-Dependent Component Coefficients"' by Hanna Ukhina, Ivan Afanasyev, Valerii Sytnikov, Oleg Streltsov, Pavel Stupen.

The third poster in Room 3 is titled '"Distance Monitoring System with ESP8266 for Industrial Automation Machines"' by Ia Mosashvili, Salome Oniani.

The fourth poster in Room 4 is titled '"WSN IoT Ambient Environmental Monitoring System"' by Oscar Bautista Gonzalez, José Chilo.

### 3) How to use virtual room (Zoom)

The screenshot shows a Zoom meeting window with an orange title bar. The main area displays meeting details: Meeting Topic, Host, Invite Link (https://zoom.us/), and Participant ID (355887). A 'Talking:' bar is at the top. On the right, the 'Participants (2)' panel shows 'Europim (Host, me)' and a participant with initials 'NM'. Below the participants are controls for 'yes', 'no', 'go slower', 'go faster', 'more', and 'clear all', along with 'Invite' and 'Mute All' buttons. The 'Zoom Group Chat' section is visible at the bottom right. The bottom toolbar contains icons for Unmute, Start Video, Security, Participants (2), Polls, Chat, Share Screen, Record, Breakout Rooms, and End. Red annotations include: a box pointing to Unmute and Start Video with the text 'Mute, when you listen. Unmute and Switch on you Camera, when you talk'; a box pointing to the Share Screen icon with the text 'Share your screen'; and a box pointing to the Chat icon with the text 'Share your thoughts and check what others think'.
